# Healing House - London Property Lettings. Holiday Cottages in Dorset

A warm welcome to our website from Marietta.

An unusual name for a Company you are probably thinking!!!!

However is it? We all want to live and work in a place that is light and comfortable, warm in the winter, cool in the summer, with a beautiful outlook and open spaces in the form of a garden, balcony or patio. Our business is to create beautiful homes and share them with others.

The Healing House provides:-

A London letting service - see individual properties for details and availability (Crystal Wharf , Western Beach , Clarendon Court , 11 The Courtyard & 13 The Courtyard )

Dorset holiday cottage lets

See individual properties for details and rates

The Shutters

Rose Cottage

- Interior design
- A property & business facilitation service with a personal touch.
- A select corporate & individual travel programme
- A self development service.

All our work is on recommendation, our principles based on good old fashioned principles like honesty, integrity and efficiency. Our clients find this is ultimately what they want and our track record for repeat business proves this.

## Business Facilitation

We offer a tailor made service &ndash; having previously explored and focused on your requirements, visits are arranged to inspect selected properties whether they be the family home, office or prime development sites.

- International Clients &ndash; we have catered for a number of very satisfied international clients.
- Finance Arrangements - can pass you on the registered regulated financial advisors.
- Letting Services - we can let your property for you.
- Furnishings - fully or partly furnish your home or apartment
- Management Service - a full management service is available.
